

FCC's Private Dinner Club

*From: The Federal
Communications
Commission*

T-Mobile and DISH's Free Fixe Menu

Appetizer: Dupe the FCC into believing
"we can't compete"

Course I: Institute Data Roaming regulations
on nationwide networks (no need to build in
rural areas!)

Course II: Secure 30 MHz set aside on upcoming
spectrum auction (and ask for second helping of
10 MHz more!)

Entree: Merge companies to form one GIANT
multinational corporation

Dessert: Invite friend Sprint to the exclusive
crony party
